

ANA VEGA CANDIDACY PROGRAM

Dear Friends,

We present this Candidacy composed by a **TEAM** of people, with great enthusiasm and desire to work, combining proven experience with new ideas.

Women and Men looking for the best for the Club, Without any kind of personal interest but committed to work with clarity and honesty, rigorously applying compliance with the Golf Club Statutes and the Agreement with the City Council.

We want a Club of all and for all, where the opinions of the Members count before and after the elections, with the ultimate goal that future generations continue to come to learn and train, being our meeting place and social centre, creating a particular lifestyle available to everyone. In short " A CLUB OF REFERENCE WITH A SPECTACULAR GOLF COURSE "

These are our proposals:

- The course as our main asset will be provided with an ongoing maintenance program, improving the layout as well as the Golf Game. Our promise is not to modify the original layout of the course, designed by two of the best Golf Course designers in the world
- The annual fee will be kept. Any decision economically affecting members will be agreed on the AGM.
- Information will be available to members at all times.
- We will be very rigorous with expenses, lowering them in short and medium term. The savings will imply less green fees to sell and more Tee Time available for Members.
- A review of the existing booking reservation system will take place, avoiding void time and therefore facilitating more Tee times.
- Clarity about Club competitions, including Teams composition in all leagues where the club participates.
- The staff is one of our best assets, highly qualified and trained. We will provide them with all resources and innovations within our economic possibilities.
- Improve the School, Promoting the participation of golf students in the Club and Federation tournaments. Seeking a common line of Training in collaboration between Teachers and Parents
- We will study the Investments and Cost for the Golf Technical Centre. Members will be consulted as per Club Statute in an AGM to jointly take the best decision for the Club.
- We will reopen the Members Lounge (Patiño room) where members can enjoy Meeting, watching golf and other leisure activities, being it a Meeting Point for all of us.
